NIKE WOMEN'S TOPS SIZE GUIDE

STEP 1: MEASURE YOURSELF

BUST - Measure around the fullest part, across bust points, keeping the tape horizontal.

WAIST - Measure around the narrowest part (typically the small of your back and where your body bends side to side), keeping the tape horizontal.

HIPS - Measure around the fullest part of your hips, keeping the tape horizontal.

STEP 2: FIND YOUR SIZE

Use the chart below to determine your size. If you're on the borderline between two sizes, order the smaller size for a tighter fit or the larger size for a looser fit. If your measurements for bust and waist correspond to two different suggested sizes, order the size indicated by your bust measurement.
